

# 2012 LEGISLATIVE BREAKFAST

## Water Matters! Protection of Public Health and Local Economies Through Infrastructure Investment

*February 16, 2012 7:15 am - 9:30 am  
Senator Inn & Spa - Augusta, Maine*

Please join us for an informal breakfast meeting on February 16th. We look forward to networking with you and providing you with timely, critical information on the water and wastewater professions in Maine. We endeavor to work together in providing Maine's citizens with safe drinking water and effective wastewater treatment in order to protect public health and the environment. None of this is possible without sustainable infrastructure, sound management, skilled operators and financially viable programs. As policy makers, your participation is essential to ensuring clean water in Maine and we look forward to the opportunity to share our experiences, listen to your questions and concerns, and work with you to get you the information that you need to make the best decisions for the State of Maine and our professions.

Sincerely,

Jeff McBurnie  
President, MWWCA

Jon Ziegler  
President, MWUA

Daniel Bisson  
President, NEWEA
